  {  
    "reviewbody": "The auditorium has potential for live music but the it was somewhat  
cramped up front and very little people were in the back. sound quality was good, not  
great and the playing was about the same. No real peaks here. the meat is probably the  
strongest, but pales in comparison to other versions.",

{
  "reviewbody": "was at this show lived about 30 MIN FROM CHAMPAIGN...got to the
show and it was a beautiful venue but the scene seemed to be different. It seemed like
there were a lot of first timers. The highlight is the Tailspin",
